

Bridges NYS PD Session 1: August 26, 2013

Assignment for the next session – Saturday, November 2, 2013

→ What will it take to implement the Bridges program at your school?

Consider:

- Admin roles and responsibilities
- Organization and structure of Bridges Team
- Team Leader responsibilities
- What are some strengths you will have?
- What are going to be some challenges?
- What do you anticipate needing help with?
- What are some resources you know you can call upon?

Review and Practice:

- **Everyone**: Check out the Bridges website
- <http://bridges.ws.gc.cuny.edu/>
- Skim through the Bridges Curriculum and Teacher's Guide
- **Teachers**: Read Unit 1 across all subject areas
- Study Unit 1 in your subject area focusing on Week 1

To Do:

- **Administrators**: How will you select your Bridges team?
- Come back with an organizational chart for who will be on your team
- **Teachers**: Try out one scaffolding technique that you learned today
- Report on what you did, and how it worked
